

PAPERWORK REDUCTION ACT  
COLLECTION DISCONTINUATION FORM

<p style="text-align: center;">Agency/Subagency U.S. Department of Education Office of Postsecondary Education</p>	<p style="text-align: center;">OMB Control Number 1840-0766</p>	
<p>Title of Collection: Annual Performance Report for Title III and Title V Grantees (84.031A, 84.031T, 84.031S, 84.120A, 84.031W, 84.031N)</p>		
<p style="text-align: center;">Current Expiration Date 05/30/2010 Month/Year</p>	<p style="text-align: center;">Requested Expiration Date To Discontinue Collection 05/30/2010 Month/Year</p>	
<p>Reason for Discontinuation: Newly authorized and funded programs under Title III and Title V of the Higher Education Act of 1965, as amended, have different collection requirements than the currently approved collection. The newly authorized and newly funded programs are:</p> <ul style="list-style-type: none"><li>- Asian American and Native American Pacific Islander-Serving Institutions (CFDA 84.031L)</li><li>- Native American-Serving Nontribal Institutions Programs (CFDA 84.031X)</li><li>- Promoting Post-Baccalaureate Opportunities for Hispanic Americans Program (CFDA 84.031M)</li></ul> <p>The Annual Performance Report (APR) data elements as currently approved for CFDA 84.031A, CFDA 84.031N, CFDA 84.031W, and CFDA 84.031T, 84.031S, CFDA 84.031B and 84.120A will continue with no significant changes as major forces continue to drive (1) the need to improve the quality and effectiveness of our program monitoring efforts; (2) the need to provide more reliable and valid data for the Government Performance and Results Act (GPRA); (3) the need to evaluate grantee and Program effectiveness; and (4) capacity building efforts toward a Title III and Title V community of practice. The Office of Inspector General (IG) has identified repeatedly the aforementioned needs as areas that the Department of Education should resolve. For the past seven years, the Department has been focused on addressing these areas. We will continue the design concept of this APR and submit the complete data collection requirements to OMB after identifying and incorporating the new program collection requirements into the APR.</p> <p>We anticipate clearance of the new updated APR prior to the end of the current grant performance period for Title III and Title V grantees.</p>
